

We are a group of parents and professionals who are in the process of setting up a unique and proactive autism team. We are collecting information via questionnaires and personal experiences from parents, guardians and carers of young people aged 0 to 15 with or without a diagnosis of ASC. With the new changes to special educational needs and health care plan we have put together a questionnaire to see what support our young people in Cumbria need.

Age	
Gender	
School (if not in education, please state)	
Siblings	
Area of residence e.g. Barrow	

1) Does your young person have a diagnosis? If so, please state (please include any additional diagnoses e.g. Epilepsy, ADHD etc.)
